

The Africa Psychosocial Support Institute (APSSI) is a subsidiary of REPSI. APSSI fosters professionalism and excellence in Mental Health and Psychosocial care and support (MHPSS). This includes the need for standardised PSS definitions, quality research on PSS, excellent PSS resources and MHPSS thought leadership in Africa.

#### **DIRECTOR APSSI**

**Application Deadline: 26 April 2019**

The position is based in Randburg, Johannesburg, South Africa.

APSSI consists of two arms; (1) Develop and deliver innovative and accredited PSS skills development programmes and qualifications, lead research in mental and psychosocial wellbeing in Africa, stimulate thought leadership in child and adolescent mental health and psychosocial support, develop PSS resources and provide an accreditation service for PSS organizations, programmes and professionals. In this regard, APSSI will coordinate with higher academic institutions in the continent. (2) Raise funds through developing, marketing and providing a range of consultancy services. The Director of APSSI provides strategic leadership to both arms of the Institute.

The Director will attract income from a variety of sources of a sufficient level that the Institute will become self-sustaining, and provide an income for REPSI, after the initial two-year period. The Director will report directly to the REPSI CEO and APSSI Board of Directors and have direct line-management responsibility for the following functions: Academic programmes • Marketing and consultancy services • Product development • Corporate affairs.

**Essential Skills & Personality Traits:** Strategic leadership and financial management experience • Excellent interpersonal skills • Ability to motivate, inspire and direct team members • Strong negotiation and marketing skills • Must thrive in a dynamic, fast-paced, and challenging programme environment • Ability to set ambitious targets and drive to exceed them • Willingness to travel as required • Ability to work outside of conventional office hours • Appreciation of MHPSS in Africa • Understanding of both academic settings and consultancy services • Working knowledge of National Qualification Authorities in Africa

**Minimum Qualifications and Experience:** Masters degree in Social Sciences, Education or Management or relevant field • 3 years' senior management experience, including sales and service functions • Strategic leadership • Experienced team leader research and publications • Proven ability to secure significant funding

**Additional Preferred Knowledge & Skills:** PhD in Social Sciences, Education or Management • Knowledge of the Mental Health, Psychosocial Support

**Remuneration will be commensurate with skills and experience. REPSI is committed to the principles of employment equity.**

**To apply,** submit a one-page written motivation, CV and three work related referees with contact details, certified copies of identity document and qualifications to [hadmin@repsi.org](mailto:hadmin@repsi.org)

**This is a re-advertisement. The candidates that have previously applied need not reapply.**
